she was oblivious to stares and snickers from the other customers as she opened the little black bag-it almost covered a cafeteria table-and ferreted through it

quite simply, "t" is the diameter of the tube in the lamp

games can vary in length of time from half an hour to several hours, dependent on game size.

she told me to come in the next day and make an arrangement.

you're so interesting i don't believe i have read through a single thing like this before
